Sleeps 6 | Monday Change over

- Double or twin arrangements
- Outstanding sea views
- Laundry Facilities
- Dishwasher
- Internet access
- Central town location

One of our most popular holiday homes, Golden Bay is situated, quite literally, on Town Beach and this second floor flat commands stunning views over the harbour towards Tresco and St Martin's.

The accommodation consists of three double or twin bedrooms, whichever configuration is required (one en-suite), a spacious and contemporary kitchen/diner opening into the panoramic lounge and a large, walk-in shower room. Its position on the second floor makes the views particularly stunning. This is a perfect holiday home for those wishing to pursue an active holiday or those who prefer to sit and enjoy what is arguably one of the best views on St Mary's.
