A beautifully refurbished two-bedroom apartment with stunning panoramic views across the harbour and Town Beach. Sandals forms part of Conlin Quays, an attractive and characterful property. The original granite house dates from around 1800, with a substantial three-storey extension added on the beach side during the 1970s. Formerly known as Grays, the building is now called Conlin Quays. Accessed from Hugh Street, Conlin Quays is divided into two apartments: Sandals, which occupies middle floor, and Harbour Heights on the top floor. Sandals benefits from convenient level access from Hugh Street. At the front of the property is a shared entrance porch used between both apartments. The apartment has been fully refurbished to create a bright, comfortable, and contemporary place to stay. Accommodation includes two bedrooms, a family shower room and a spacious open-plan kitchen, dining and living area. One of Sandals' real highlights is its wonderful outlook, with stunning panoramic views across harbour and Town Beach - a beautiful backdrop to enjoy throughout your stay. It's central location makes Sandals an ideal base for exploring. The harbour and departure points for daily boat trips are just a short stroll away, making it easy to heat out and discover the surrounding islands. Local shops, cafes, pubs and restaurants are also close at hand, so everything you need for your stay is within your walking distance.
